

NAITIK UPADHYAY

CYBER SECURITY , WEB DEVELOPER , AI PROMPT ENGINEER

Pune,Maharastra,India | nk7.naitik@Hotmail.com | <https://nk07m.github.io>

SUMMARY

I'm a tech-driven creative with a passion for both security and storytelling. My core strengths lie in Cybersecurity, Network Security, and Linux environments, alongside practical experience in Python, Bash scripting, and AI/ML workflows. I also have a strong creative side, working with tools like Premiere Pro, Blender, and Unreal Engine to bring digital ideas to life. I'm always excited about projects where tech meets creativity, and where I can build, secure, and innovate.

TECHNICAL SKILLS

Python	Blender	Cyber Security
Prompt Engineering	Adobe Premiere Pro	Network Security
AI ML Development	UnReal Engine	GREY HAT Hacking

PROFESSIONAL EXPERIENCE

Elevate Labs | INTERNSHIP | CYBER SECURITY June 26 - July 26 | 2025

- Conducted vulnerability assessments on Linux-based systems using tools like Nmap and Wireshark, identifying common misconfigurations and assisting in their remediation.
- Automated basic security tasks using Python and Bash, including log parsing, port scanning, and system update checks to improve efficiency and reduce manual effort..
- Collaborated with the security team to monitor network traffic, investigate suspicious activity, and document potential threats as part of the incident response process.

Elevate Labs | INTERNSHIP | AI - ML June 26 - July 26 | 2025

- Developed and trained machine learning models using Python libraries such as scikit-learn, TensorFlow, and PyTorch, focusing on classification and anomaly detection tasks.
- Preprocessed and analyzed structured and unstructured data, applying techniques like feature engineering, normalization, and dimensionality reduction to optimize model performance.

CERTIFICATIONS

- **AI ML CERTIFICATE FROM ELEVATE AND FREEDOM WITH AI**
- **CYBER SECURITY CERTIFICATION FROM MASTERCARD , BCG X , ELEVATE LABS**
- **MASTERCLASS COMPLETION CERTIFICATES FROM TTU FOR CYBER SECURITY**
- **PYTHON COURSE COMPLETEION FROM KAGGLE**

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Marathi , Marwadi .
- **Birth date :** 27-11-2008 | (16 YEARS AS OF 2025)
